## When Behaviors Get “Too Big”

Join us as we discuss options to help keep your child and yourself safe when behaviors get “too big”. This is a tough but necessary topic for families of chronically dysregulated children. We will also discuss how coexisting diagnoses such as Autism, DMDD/ODD, Anxiety, Depression and others can cause these chronically dysregulated children to ‘go over the edge.’

- What treatment options are available?
- Who do I contact to help navigate these services?
- The isolation and secrecy parents face in these situations.
  - How do I fund these treatment options?
  - How can I find specific support for my family?

**Tues., April 2<sup>nd</sup> - 6:00 to 8:00pm**

**To RSVP or for more info, contact Brittney at  
330-323-0609 or [brittney@aspies.org](mailto:brittney@aspies.org)**

*This is a Parent/Caregiver ONLY event.
